Background Screening Program

Individual Services

Enhanced Nationwide Criminal Search (US AliasSEARCH)

\$8.00

This search includes a validation of the social security number, Death Master Index scan (helps detect fraudulent SSNs) and then runs a full SSN name and address search and scans all names through our national criminal database. **The national criminal database houses records from 55 nationwide sex offender registries, 32 global threat lists, and over 300 million criminal records from sources throughout the country.** (Results are returned instantly)

Ongoing Criminal Monitoring

\$10.00 /
year

One year of criminal monitoring for current employees. Optional renewal after one year for the same price. (Results are returned instantly)

County Criminal*

\$8.25

This is one of the most powerful tools for uncovering criminal records. Since law enforcement agencies report felony and misdemeanor charges, a county criminal search is where a record is likely to be filed. Our researchers handpick information from courthouse records in every county in the United States. All county criminal searches go back a minimum of seven years and include felonies and misdemeanors. Some court fees apply. (Results are returned within 1-3 business days)

Statewide Criminal*

\$8.00

Real-time search at the statewide courthouse reportedly contains all county records within a given state. There can be instances where a conviction has been recorded at the county level but not at the state level. (Results are returned within 1-3 business days in most cases)

Motor Vehicle Report*

\$2.50

State level driving reports can include records of driving while intoxicated, revoked license, accidents, and minor traffic violations. ** Access to this product requires additional documents and approval which can take up to 3 business days. (Results are returned instantly in 46 states)

Additional Services Available
