We will develop and search every county where the applicant has lived in the past 7 years. Average turnaround time is 1-3 business days - some exceptions apply such as limited access courts, which may result in extended delays. Additional court fees may apply

#### US AliasVERIFY

This is a multi-faceted search that combines a search through the industry's #1 criminal conviction database\* with known aliases sourced from a name and address history based on the subject's social security number. The names searched for include the primary name and other names found in the name and address history for your subject, such as maiden names, previously married names, middle names used as first names, nicknames and other aliases. With a US AliasVERIFY check, we will not only search more than 500 million criminal records from counties, departments of corrections (DOC), administrative Office of courts (AOC) and offender registries from all 50 states, plus Washington DC, Guam, and Puerto Rico for the provided and alias names found, but we will also verify criminal matches directly at the source before reporting them, updating the record to match currently available public records, completing incomplete records, and allowing reporting of records that become legally reportable based only on the updated and complete record.
