This report does not guarantee the accuracy or truthfulness of the information as to the subject of the investigation, but only that it is accurately copied from public records, and information generated as a result of identity theft, including evidence of criminal activity, may be inaccurately associated with the consumer who is the subject of the report. If the consumer seeks to obtain a copy of this report or to review his or her file, we will provide the consumer a written notice in simple, plain English and Spanish of his or her right to receive all disclosures required by California law.

Except for instant database searches, we finished collecting a criminal record from a source on the end of the date range shown as the dates searched for that source.
